### *UN Justice Taskforce Report 2019*

Court annexed and non-court annexed platforms such as RDO are being adopted in Singapore and other advanced jurisdictions.

Singapore  
Mediation  
Centre

### *Singapore Mediation Centre*

The user interface is clean and intuitive, making it easy to access features such as audio and video conferencing facilities, chatrooms, documents repository and an automated settlement agreement mechanism.

### *Paul Embley, Tech Advisor, US National Centre of State Courts*

I have used RDO and find it to be “google clean” in its layout and experience. RDO is on our vendor list.
